TOWN WARRANT

State of New Hampshire

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Charlestown on Tuesday, the tenth day of March next, at nine o'clock in the forenoon, to act on the following subjects:

Art. 1. To chose the necessary officers for their respective terms.

Tabulation of Voting

Total ballots cast 439. Republican 227; Democrat 66.; Split 144; Blanks 2.

Town Clerk — William S. Fairbanks	426
Selectman 3 Years — J. Frank Frohock (Elected)	269
Carl Fedelski	131
Treasurer — William Miller	412
Tax Collector — Walter G. Smith, Jr.	416
Overseer of Poor — Oscar F. Adams	421
Chief Engineer — Robert W. Burns	384
Water Commissioner, 3 years — Earl W. Putnam	398
Auditors — Louis L. Comstock	332
Henry J. Farrell	399
Margaret H. Spaulding	414
Library Trustee 3 Years — Eleanor C. Brown	407
Christian A. Rist	393
Trustee Trust Funds, 3 years — Fred H. Perry	402

Art. 2. To consider the budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, street lighting and for the necessary charges arising within the town.

Resolved, to accept the budget with the following amendments. (1) That the budget item opposite Town Officers Salaries will read \$4100.00 instead of \$4000.00 for the purpose of raising the Tax Collectors salary from \$600.00 to \$1000.00. (2) To strike out the \$5000.00 for new equipment.

Art. 3. To see if the town will vote to allow the selectmen to deliver the inventory blanks at the time of taking inventory.

Resolved, to adopt the article.

Art. 4. To see if the town will vote to authorize the selectmen to borrow on notes on the credit of the town such sums of money as may be necessary to meet current expenses in anticipation of taxes.

Resolved, to adopt the article.

Art. 5. To see what action the town will take in respect to appointing three members of the Finance Committee for the ensuing three years.

Resolved, to elect the following three members to the Finance Committee; Morris Putnam, Cecil E. Fisk, David Bechok. Also to elect Robert Spaulding to replace Dwight Smith.

Art. 6. To see if the town will vote to accept trust funds received for perpetual care of lots in the cemeteries.

Resolved, to accept the article as scheduled, indefinitely.

Art. 7. To see if the town will vote to raise and appropriate the sum of \$1000.00 in addition to the amount raised in the budget for the care of trees. (By request)

Resolved, to adopt the article.

Art. 8. To see if the town will vote to extend the sewer from the corner of East and Sullivan Streets, to service Crown Point Heights Development, and raise the necessary amount to cover the cost. (By petition)

Resolved, to adopt the following amendment: "That the Water Commissioners, Town Development Committee and the Selectmen be appointed to survey the town sewer and water supply on long range plans."

Art. 9. To see if the town will vote to accept and maintain a Traffic Safety Light, the light to be paid for and installed by the Charlestown Business and Professional Women's Club. The proposed site is at the corner of school and Main Streets. (By request)

Resolved, to dismiss the article. Defeated by a vote of 60 - 28.

Art. 10. To see if the town will vote to install a Blinker Traffic Light in the vicinity of the Post Office and the Keil Lock Company. (By request)

Resolved, to adopt the article by a vote of 55 - 43. Voted to raise \$600.00 for installing and maintaining a flashing yellow light.

Art. 11. To see if the town will vote to have the moderator appoint a committee of three to work with the State Forester in carrying approved forestry practices on town owned property. (Requested by Finance Committee)

Resolved, to adopt the article. Committee appointed by Moderator: Horace Bascom, Chairman; Alfred C. Smith; Morris Putnam.

Art. 12. To see if the town will vote to request the Selectmen to consult the wishes of the town and hold public hearings before undertaking any large scale cutting of trees on any of the land publicly held by the town. (By petition)

Resolved, to adopt the article.

Art. 13. To see if the town will vote to authorize the Trustees of the Silsby Free Public Library to accept an addition to the library as a gift.

Resolved, to adopt the article.

Art. 14. To transact any other business that may legally come before said meeting.

Resolved, that the town request the selectmen to take measures to relieve the traffic congestion in the center of the village, particularly in the vicinity of the post office and the library.

Elected to the Town Development Committee, Robert Hayes — David Bechok.

Town Development Committee

Verne Bradish, Chairman	Term expires 1961
Cecil Fisk	Term expires 1961
Rolfe Jacobs	Term expires 1962

Town Clerk

TOWN WARRANT 1961
The State of New Hampshire

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Charlestown on Tuesday, the fourteenth day of March next, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose the necessary town officers for their respective terms.

Art. 2. To consider the budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, street lighting and for the necessary charges arising within the town.

Art. 3. To see if the Town will vote to allow the Selectmen to deliver the inventory blanks at the time of taking inventory.

Art. 4. To see if the Town will vote to authorize the Selectmen to borrow on notes on the credit of the town such sums of money as may be necessary to meet current expenses in anticipation of taxes.

Art. 5. To see what action the Town will take in respect to appointing three members of the finance committee for the ensuing three years.

Art. 6. To see if the town will vote to purchase a new fire truck, and raise and appropriate \$22,200.00 to purchase same.

Art. 7. To see if the town will vote to raise and appropriate the sum of \$1,500.00 to remodel the Stack room in the library. By request of Library Trustees.

Art. 8. To see if the town will vote to raise and appropriate the sum of \$100.00 to purchase oxygen for the resuscitator.

Art. 9. To see if the town will vote to raise and appropriate the sum of \$1000.00, in addition to the amount raised in the budget for Care of Trees, for continuance of the Dormant Spray used the past two years for the control of Dutch Elm disease. By request.

Art. 10. To see if the town will vote to borrow \$4000.00 for the purpose of installing two hydrants; one at Riverview Park, the other on Wheeler Avenue, said amount to be paid by the Water Department as follows: \$2000.00 plus interest in 1962 and \$2000.00 plus interest in 1963. By request of Water Commissioners.

Art. 11. To see if the Town will vote to pay the employees of the highway department the following:

1. Time and one half after a 40-hour week.
2. Seven paid holidays; New Years Day, Memorial Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day and Christmas Day.
3. Group insurance for entire family of worker to be paid for by the Town of Charlestown. By petition.

Art. 12. To see if the town will appoint a commission on recreation to plan and develop all public community recreational facilities; said commission to operate only with such funds as are allocated in the budget. By request.

Art. 13. To see if the Town will vote to authorize the Selectmen to file in behalf of the Town an application (in form and manner required by the United States and in conformity with Public Law 560, 83rd Congress) and do whatever else may be required to obtain an advance, made by the United States to the Town of Charlestown, New Hampshire, to defray the cost of an engineering investigation, report and preliminary plans for an overall program for sewage treatment.

Art. 14. To see if the town will vote to raise and appropriate the sum of \$200.00 to purchase and install street signs.

Art. 15. To transact any other business that may legally come before said meeting.

The polls will be open from 9:00 A. M. to 6:00 P. M.

Given under our hands and seal this twenty-seventh day of February, in the year of our Lord 1961.

Charlestown Highway Department - 1960

Materials used in maintaining Charlestown roads ;

- 4568 cys. gravel
- 1445 cys. sand
- 300 cys. cold patch
- 40 tons salt
- 10 tons chloride
- 70 guard posts
- 6 culverts

Four miles of brush were cut.

Three culverts were lengthened.

Bridges were re-planked at :

- North Charlestown
- Farwell road
- Burrough road
- Putnam road
- Rex Smith road
- Meany road

Sections and/or all of the following were gravelled :

- Bailey place to top of Bailey Hill
- Meany road
- Burrough road
- Putnam's Flat
- Lawrence hill at South Charlestown

Sections and/or all of the following were tarred :

- Lover's Lane road
- Hemlock road to Chas. Willard place
- Ahern road to boat landing
- Riverview Park road
- Road by George Blake residence
- Acworth road
- North Hemlock road
- Bissonette corner by G. Morse to Unity road
- James Adams road
- Ben Eaton road

The following streets were tarred

Paris Ave.

East St.

West St.

School St.

Taylor Hill

Paris Ave.

Bridge St.

Depot St.

Respectfully submitted,

JOHN W. MORRIS,

Road Agent

T. R. A.

Treasurer, State of New Hampshire for, town's

share

\$ 977.14

Town road aid for work on Class 5 roads, which are school bus and mail routes. The Town appropriated \$977.14 and the State contributed \$6,514.27. The work is under the Supervision of a State Highway Engineer from the Keene office. Mr. Kenneth Whitney was the State timekeeper on this job, and his report shows the following:

Cut 1 mile brush.

Cut 27 trees 12" or more in diameter.

7078 cys. gravel used.

8/10 mile Farmer's Mix

8/10 mile seal coat

170 ft. 12" culvert installed

74 ft. 15" culvert installed

106 ft. 24" culvert installed

Payloader Report

The town voted that the Selectmen keep a separate account of repairs and parts for the payloader, and publish same in the Town Report.

The present payloader was bought in April 1957. During this year it was necessary to repair wheel assemblies as major items of repair, and the parts for these repairs cost a total of \$759.62. The majority of repair work is done by a member of the highway department.

Forest Fire Report

The following information is taken from a report of District Fire Chief Cornelius Wood.

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected, timber, buildings, grazing and wildlife are destroyed - all because MANY are CARELESS with fire in and near woodland. This can be remedied. You can put an end to this shameful waste! PREVENTION IS YOUR BUSINESS!

The following simple rules may be used as a guide.

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning - don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles - make sure they are out - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires 6

Number of permits issued 106

A. H. SAYCE

Temporary Treasurer

This year we had unexpected expenses, repairing furnace, rusting out of water pipe from street necessitating new copper pipe. We finished the redecorating of the South room. If we have enough money we would like to fix up the North room and the Stacks.

ARCHIE H. SAYCE,

Chairman of the
Board of Trustees

SEWER DEPT.

Report of Supt. Earl Putnam

The sewer system was cleaned this year. Also we have some new chemical which we are using to kill roots that is working very satisfactory.

The Sewer Dept. also corrected a very bad situation at the toll bridge area by extending the sewer main 70 ft. into the River.

We made six new connections..

Thank you,

EARL PUTNAM, Supt.

RICHARD H. PERRY

WATER DEPARTMENT

Report of the Treasurer

The year has been a busy one. The annual report which is sent to the Public Utilities Corporation at Concord was not acceptable and they requested that it be corrected. To do this properly Mr. Blodgett and I went to Concord three times. Also Mr. Gagnon of the Public Utilities Corporation came to Charlestown to assist in setting up a bookkeeping system which would insure an acceptable yearly return.

While at the Public Utilities Corporation we were advised by them how our water system financial situation should and could be improved. They have assisted other towns of the state in similar circumstances.

We learned that the town should have been collecting more money from the users through higher rates. There has been but one increase in rates since the system was installed, and that was a small increase. If this had been done we would and that was a small increase. If this had been done we would have been able to establish a surplus to draw on in case of an emergency.

The 1959 Balance Sheet of the Water Department reflects Plant in the amount of \$143,453.00. The Plant has been paid for from the following funds.

Depreciation	\$57,876.00
Net income over the years	76,113.00
Contributions from customers	9,464.00
	—————\$143,453.00

There is no debt or municipal investment outstanding.

Sound utility operation requires that sufficient revenues be derived from all classes of consumers, including hydrant rentals, to pay the utility's operation and maintenance expenses, depreciation, taxes, and reasonable interest on bonds, or municipal investment. Depreciation is an allowance which the consumer pays for the wearing out of old plant. These depreciation funds may be used for new construction or payment on bonds, or municipal investment outstanding, and are required to be included as an expense of a Municipal water company by New Hampshire law.

The 1959 income statement shows that expenses exceed revenues in the amount of \$2,259.00. Therefore, water rates

have to be increased by at least this amount. However, if there is new construction contemplated for a sizeable amount, new capital will be needed upon which interest will have to be paid. Also, a small amount of revenues should go to surplus each year to provide for contingencies. Therefore, a rate increase should also provide for these items. The 1959 annual report also discloses that additions to plant were \$7,502.00 for that year of which \$3,128.00 was provided for by 1959 depreciation, and the remainder by prior years' depreciation money. Cash on hand is only \$625.00. Therefore, any sizeable additions to plant in the near future will have to come from new capital.

The system is living on borrowed time and a serious condition might arise which would mean a very sizable expenditure for nearly complete renovation. To lighten the load when that time arrives it is imperative that a yearly surplus is shown. Therefore, it is imperative that new revenue be found. This can come by an increase in water rentals, and hydrant rentals. If the town does not grant rental for the hydrants the increase must come through water rentals.

RICHARD H. PERRY, Treasurer

WATER DEPARTMENT

Report of Superintendent Earl Putnam

The Water Department had the North Charlestown and lower reservoir in town cleaned this last spring.

We also had the county forester look over our wood land and are now waiting for a written report and recommendations.

We had one major break in the North Charlestown system this year caused by an auto accident. Also had one in the 12 inch main in the town system.

Installed six more new meters. Made ten new service connections and replaced ten old services.

Repaired one old hydrant and have two slated for this summer.

Thank you.

EARL PUTNAM

Public Health Nurse

CHARLESTOWN VISITING NURSE ASSOCIATION

Report for Year July 1, 1959 to June 30, 1960

Receipts

Membership drive	\$ 619.00	
Nurse's calls	391.50	
Town of Charlestown	1,000.00	
Charlestown Grange	25.00	
	<hr/>	\$2,035.50

Expenses

Nurse salary	\$1,578.00	
Nurse mileage	79.31	
Equipment and supplies	104.96	
Miscellaneous (bonding, incorporating, postage, etc.)	51.00	
	<hr/>	\$1,813.27
Cash on hand July 1, 1960		<hr/> \$ 222.23

This financial report covers the first full year of service by the Association.

The current year is showing a substantial increase in the number of calls, 420 calls having been made between July 1, 1960 and December 31, 1960, as compared with 378 calls for the entire first year, July 1, 1959 to June 30, 1960.

Because of this increased income from nurse's calls, we feel that we need ask for only \$500 this year, instead of the \$1,000 granted in previous years.

The work has not only increased, but has been increasingly varied, ranging from physical therapy to new baby care. Mrs. Sanderson went to Hanover for instruction in the special physical therapy needed by one patient, and has also, with other local nurses, received instruction in the use of the resuscitator.

The nursing service is still on a part-time basis, Mrs. Sanderson being on duty forenoons, Monday through Friday, with Miss Elizabeth Ahern acting as substitute.

Equipment and supplies have been purchased as the need arose, or when there was an opportunity to make a considerable saving. The Association is fortunate in having received the gift of some sick-room equipment.

The directors feel that the work is showing a satisfactory rate of growth and a value that can best be measured in terms of its contribution to the comfort and well-being of the patients.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Charlestown, I herewith submit my annual report as Superintendent of Schools.

Teaching Staff

We wish to report the changes in the teaching staff this year. The following instructors were hired to begin service in the Charlestown schools this past September:

Mr. Chandler Mosher was appointed Principal of the Holden School. He succeeded Mr. Stuart Carter, who is now employed elsewhere. Mr. Mosher is a graduate of Castleton Teachers' College in Vermont, and also holds a Master's Degree from the University of Vermont. He was formerly a teacher and Principal of an elementary school in Charlotte, Vermont. He has had six years of experience in public school service in Vermont.

Mr. William Hall was appointed instructor in Mathematics, English and Social Studies. He succeeded Mrs. Nancy Eaton who has left the teaching profession. Mr. Hall graduated from Princeton University and taught the past four years at Unity.

Miss Annette LaFrank was appointed instructor in English. She succeeded Miss Margaret Stoughton who resigned to accept a position in Ashland, Mass. Miss LaFrank is a graduate of Keene Teachers' College and has also done graduate work at Boston University. She was a teacher for six years at Chester, Vermont High School before coming to Charlestown.

Mr. Donald Purrinton was appointed instructor in Social Studies. He succeeded Mr. Donald Gaudreau who resigned to accept a position at Bellows Falls High School. Mr. Purrinton is a graduate of Boston University.

Mrs. Kathleen Duranty was appointed instructor of the fourth grade at Holden School, returning after a one year leave of absence. Mrs. Duranty succeeded Mrs. Freda Munroe who resigned to accept a position in Claremont.

Mr. Russell Smith was appointed instructor in Chemistry, Physics and General Science. He succeeded Mr. Donald Pruden who left to accept a position in industry. Mr. Smith graduated from the University of Maine and is continuing his graduate study at that institution.

Other faculty members returning to their teaching assignments include the following:

High School

Mrs. Monetta Baldwin: Latin and English
Mrs. Carol Guy: Mathematics and Science, Junior Department
Mrs. Thelma Hause: Domestic Science and Visual Aids
Mrs. Daisy Hronek: Mathematics
Mr. Robert Ingalls: Industrial Arts
Miss Janice Moody: Commercial Subjects
Mr. Arthur Gude: Social Studies
Mr. Ralph Silva: Physical Education and Science
Mrs. Louise West: French and English
Mr. Bruce Wood: Music
Mr. Ralph Staples: Principal and Biology

Holden School

Mrs. Doris Blodgett: Grade 2
Mrs. Eleanor Brown: Grade 3
Mrs. Olive Decker: Remedial
Mrs. Anne Doolan: Grade 2
Mrs. Gladys Hood: Grade 6
Mrs. Viola Horton: Grade 5
Mrs. Dora Sherwin: Grade 4
Mrs. Phyllis Reed: Grade 3

Stucco School

Mrs. Ruth Weeks: Grade 1
Miss Regis Massucco: Grade 1

Farwell School

Mrs. Olive Bashaw: Grades 1-2-3 and Principal
Mrs. Minnie Smith: Grades 4-5-6

Superintendent's Proposals for Next Year

1. The employment of a Teacher Aide at the Holden School to assist teachers in the many non-academic assignments associated with the operation of the school. This would relieve teachers to give them more time for the actual teaching responsibilities in the classroom.

2. The construction of an additional classroom in the high school, on the second floor over the present stage. This would provide space for additional needed class capacity.

3. Continuing the project in Science, to purchase more equipment for that department under the National Defense

Act. Fifty percent of this outlay would be reimbursed by the Government.

4. The participation of the Charlestown School District in the support of a class for Mentally Retarded Children. Such a project would require a contribution from each of the towns in Union No. 5, and be financed on a Union Basis.

Maintenance and Building Improvements

The maintenance in the several buildings has been kept at a high standard. We are very grateful and appreciative of the efforts of Mr. LaForge, Mr. Ambrose and Mr. Sawyer. Mr. Ambrose resigned as of December 1st and Mr. Arnold was appointed full time custodian. Mr. LaForge has been transferred to the High School, with Mr. Arnold assigned to the Holden School.

During the summer all buildings were thoroughly cleaned and floors refinished. Much was done to improve our buildings and increase their efficiency. New lights were installed at the Holden School and the sanitary facilities were completely renovated. Several rooms at the High School were redecorated. The following is an outline of work completed this year:

Farwell School

- Building cleaned during the summer vacation
- Toilet room floors painted
- Classroom and hall floors sealed and waxed
- Desks revarnished
- Ceiling repaired in boys' toilet room
- New fire door built at entrance of boiler room

Stucco School

- Building cleaned during summer vacation
- Toilet room floors painted
- Classroom and hall floors sealed and waxed
- Desks revarnished
- Front steps repaired
- Renovations made to improve the efficiency of the kindergarten room

Holden School

- Building cleaned during summer vacation
- Floors sealed and waxed
- Desks revarnished
- Installed new lights in all classrooms and halls

Modernized all toilet and sanitary facilities
Oil burner installed in December

High School

Building cleaned during summer vacation
Floors in classrooms and halls washed and waxed
Painted concrete floors in basement
Boiler cleaned and inspected
Re-covered benches in Home Economics room
Installed lights in office and Room No. 11
Redecorated rooms No's 6, 7, 8 and 11 (Woodwork)
Refinished gymnasium floor

State Aid and Other Income

The incomes to the school district from the various sources can be listed as follows:

1. General State Foundation Aid	\$46,169.39
2. State Building Aid	3,497.62
3. Tuition Income	346.00
4. Miscellaneous Sources (Estimated)	1,550.00
	<hr/>
	\$51,563.01

Four Years of Progress

I am sure the citizens of Charlestown will be interested to know of the many changes and improvements which have been made since the summer of 1957. We should commend the members of the School Board for their efforts to raise the standards of Education and improve the school facilities in the interest of our children. We are pleased to comment as follows:

1. The two classrooms at the Farwell School have been redecorated.

2. New flourescent lights have been installed in the classrooms at the Farwell School.

3. The basement room at the Farwell School has been renovated and is now used as an all-purpose room as well as facilities for remedial reading groups.

4. The Remedial Program has been expanded to include one day a week at the Farwell School.

5. Full time janitorial service has now been provided for the Holden and Stucco Schools, replacing student help which had been used for daily work, as well as for summer cleaning.

6. New fluorescent lights have been installed in all classrooms of the Holden School.

7. All toilet facilities at the Holden School have been completely renovated and new modern fixtures have been installed.

8. Changes have been made in the heating plant at the Holden School. The boiler has been relined with high temperature refractory brick and oil burner installed.

9. All elementary grades from Grade 2 through 6 have been organized on an ability group basis. This plan has benefited not only the pupils but the teachers as well.

10. Additional fire extinguishers have been installed in the Holden School and many renovations made to improve conditions as a precaution against fire hazards.

11. New fluorescent lights have been installed in the Stucco School.

12. Eight of the regular classrooms in the Holden School have been redecorated.

13. Two additional teachers have been assigned to the High School to cut down on the extremely heavy teacher loads due to the increasing school population.

14. The English classes at the High School have been set up on a "Two Track System". This has enabled us to separate college preparatory students from general course pupils.

15. Nearly \$2,000 has been spent on the purchase of new Science equipment. This has strengthened this department immeasurably. Under the National Defense Act, 50% of this cost was shared by the State.

16. A salary schedule for teachers was adopted as a step toward increasing the retentive power of our faculty and to attract better teachers to our local schools.

17. One new classroom has been built in the basement of the High School and is now being equipped for use as a Biology Laboratory.

18. A new athletic field has been developed on the town owned property just south of the High School. We now have facilities for baseball as well as soccer.

19. Last year soccer, as a varsity sport, was added to our recreational program. This has provided another school activity for boys not interested in basketball or baseball.

20. The Superintendent's office has been moved out of the High School, providing space for one additional classroom on the first floor.

21. A part-time clerk is now employed at the High School building to assist the Principal in his detail work of administration.

22. The new suite of offices in the Postoffice Building provides more adequate facilities for operation of the Union Supervisory responsibilities. A full time clerk is now employed by Union No. 5, enabling us to give much better service to the nine schools located in the six towns comprising our local Union.

23. The insurance coverage on all school buildings has been reviewed by our local agents. The program has been increased in keeping with the rising costs of building replacements. We now have better protection under a single blanket policy at lower premium rates.

Hopes for the Future

Your Superintendent has recommended to the School Board the building and equipping of a language laboratory for the Charlestown High School. Such a laboratory would recognize the new approach to the teaching of modern foreign languages, and help immeasurably in the preparation of our students who plan to attend college.

As soon as finances will permit, it is imperative that we relieve our High School Principal of classroom teaching assignments, and put school administration and guidance on a full time basis. To make this change in the staff would require the hiring of an additional teacher.

In behalf of the members of the Charlestown School Board, I wish to thank the townspeople for their interest in and support of our schools. We shall endeavor to move forward to elevate the standards of education, to improve working conditions for teachers, and provide more generously for the welfare of our children.

Respectfully submitted,

NOYES C. STICKNEY, SR.

Superintendent of Schools

NOTE: "NO SCHOOL" SIGNAL: 7:00 a. m. No School

CHARLESTOWN HIGH SCHOOL PRINCIPAL'S REPORT

In submitting my second annual report as Principal of Charlestown High School, I shall attempt to summarize some of the important developments that have taken place in our curriculum and activities program for the 1960-1961 academic year.

English Curriculum

The English program for grades seven through twelve which was formulated last year after a series of meetings of the teachers in the English department, has been put in effect this year. All classes are using the texts and recommended course of study of the American Book Company in correlation with the new state course of study in English. Units in poetry, short story, and the classics are being taught in Senior High with more stress being put on grammar, spelling, and vocabulary building in the Junior High. The reading laboratory has been used in the seventh and eleventh grades and later this year will be used in the twelfth grade to increase reading speed and comprehension. Returning alumni, at a meeting held during the Christmas recess, expressed gratitude for the help the reading program had given them in their college courses.

In cooperation with the Women's Auxiliary to Veterans of Foreign Wars, an essay contest was held among the students in the college sections of the ninth and tenth grades on civil preparation for atomic warfare. Nancy Weeks won the local contest and the state contest, so her essay was entered in the national contest. Other winners were Rose Howe and Hessler Gates. It was most gratifying to have the opportunity and to have their efforts meet with such success.

Library

Although the school library does not yet meet the minimum standards for school libraries, some progress is being made. Twelve books have been purchased this Fall through the Town Library. The book sale held in December by Old Fort No. 4 Honor Society was not as successful a venture as the one held in May. Ten books were added to those in the library by the Honor Society at that time. The small ad-

mittance fee charged Play Night has been used toward the purchase of some excellent titles in paperbacks.

Dramatics

Dramatics has always been a most popular extra-curricular activity at Charlestown High School and this year has been no exception. Although it was hoped Charlestown High School might win the best play award among the competition plays presented by Alstead, Walpole, and Charlestown in April at Walpole, New Hampshire, Walpole High School was declared the winner. However, William Wetherell won the best actor award. On play Night, held at the High School Auditorium December 15, plays were presented in competition by the Junior, Sophomore, and Freshman classes. The judges, Mr. Edwin Morrill, Mrs. Mark Worthley and Mrs. Clyde Hunt, selected as best actress Kayda Smith, and as best actor, David Decker. The best play chosen was the Sophomore class presentation, "Three Little Words". The Senior Class will present a three act play in February. Plays will be offered in competition with Walpole and Alstead at Alstead this year in April, and for the small school Play Festival at Durham, N. H. March 24th and 25th.

Commercial Department

A new mimeograph machine has been purchased for use in the Commercial Department. This machine has been used advantageously in both the classroom and for school activities. Recently, the senior office practice girls completed a unit on Art mimeographing in which the emphasis has been on designing and multi-color work for stencil duplicating. As a final project, they designed and produced their own Christmas cards.

A Commercial Club has been formed. This group prepares all the programs for the various school activities and has recently taken over the publication of the school newspaper, the CHS Spotlight. Several projects have been brought into the school and these girls have worked on them on their own time. In return, they have received a moderate fee which has been placed in a special fund for later use. This enables the student to have a better insight into actual work experience and provides an added interest in the department.

In addition to the mimeograph machine and the regular typewriters, the students have the opportunity to become acquainted with an IBM electric typewriter, one electric and one manual full keyboard adding machine, a spirit duplicator, and a mimeoscope machine.

Industrial Arts Department

The Industrial Arts program is fortunate to be able to provide a new course in its curriculum. The purchase of a new metal spinning lathe has provided an opportunity to explore another area of possible employment in American industry. Although the course is still in its infancy, we hope to explore a great number of applications in this field. The field is only limited to a person's scope and ability.

Last year the Industrial Arts students participated in the 5th Annual Student Participation Industrial Arts Fair held in Littleton, N. H. The students submitted a total of 13 projects and received 9 first awards, 3 second awards and an outstanding award, presented by the Ford Motor Company. With only 50 such awards given to Industrial Arts students in the state, this is an outstanding job for a student in our Industrial Arts Program.

Home Economics

Charlestown will represent the State of New Hampshire at the National Cherry Pie Contest held in Chicago on February 22. Susan French won this honor for our school by becoming the champion pie maker at the local, regional and state contests held at Charlestown, Lebanon and Durham.

The Future Homemakers of America has continued to be active in its organization. Their Christmas project was making stuffed animal toys for the children of Cedarcrest Home in Westmoreland.

Carolyn Robitille has been nominated to the National McCall Teen Fashion Board. This group is interested in sewing, style and textile problems of High School girls.

Eleven Senior girls have taken the National Betty Crocker examination in search of the Homemaker of Tomorrow.

Physical Education

During the National Physical Education week in February of 1960, the students at Charlestown High School were given an accredited physical fitness test, scaled on the basis

of age. Results of the tests show the majority of the students falling well below the national average.

In view of this, the department has selected various pieces of equipment designed to improve upon these areas of weakness. New equipment purchased last year were two 4' x 10' tumbling mats. Equipment requested in the budget this year includes a permanent horizontal bar and a set of permanent rings. The purpose behind this equipment is to enable the students to improve their degree of flexibility, and strengthen their arms and legs, as well as to improve their physical and mental makeup.

Junior High Science

The main goals of Junior High Science are to provide a basic background of Science information; to develop in the student an ability and desire to use scientific methods; and to stimulate in the child an interest in science which will carry into everyday affairs and which will lead to a further study of science in High School.

The addition to the Junior High Science room, of a portable lab table with its own water source; propane torch, electrical outlet and all equipment necessary for standard science work has added immensely to the achievement of these goals. This new equipment makes it possible for many experiments and demonstrations to be carried on to explain and supplement regular classroom work.

Guidance

In the field of guidance we are carrying out our comprehensive four year testing program that was outlined in last year's Town Report.

The results of this program have been very beneficial in counseling students. Guidance conferences are held in the Spring for the incoming Freshmen. This gives the students and the parents the opportunity to meet the Principal and plan their four-year High School program.

In the Fall the same type of conferences are held with the Seniors, to help reach a decision concerning Post High School plans.

A graduate follow-up of the class of 1960 shows that 5 are married, 12 going on to various colleges, 1 unemployed,

3 working in industry, 3 in retail trade, 3 in the Army, 3 in the Air Force, 1 in the Marines, 1 in Nurse's Training, 1 in Trade School, and 1 in office work.

Faculty Professional Advancement

In the area of professional advancement, I am pleased to report that the following teachers have taken professional improvement courses during the year:

Robert Ingalls — Technique of Counselling and Comparative Economic Systems at Keene Teachers College.

Annette LaFrank — American Novel and Art in America, Boston University.

Arthur Gude — Teaching Modern Problems and United States History, Columbia University.

Daisy Hronek — Introduction to Modern Finite Mathematics, Dartmouth College.

Thelma Hause — Education Curriculum Workshop, Keene Teachers College.

William Hall — Seminar on Testing, Keene Teachers College.

In concluding, I want to thank the members of the School Board, School Staff, Superintendent, and the people of Charlestown for their support and cooperation.

Respectfully submitted,

RALPH L. STAPLES

Principal

HOLDEN SCHOOL - PRINCIPAL'S REPORT

The Holden School has now developed the ability grouping plan and its remedial program beyond the experimental stage. They are now a regular and accepted part of the school program. However, we must not become complacent with matters as they stand. New methods and ideas need to be continually studied and evaluated to be certain that we are giving our children the finest education possible. Charlestown is very fortunate in having so many educationally minded groups to aid the administration and the teachers in the search for better education.

Again this year the P.T.A. has continued its project to supplement the reading books available to the school children. Over \$200 worth of books have been ordered this year.

These books are greatly appreciated by the children and the teachers, not only for the many hours of pleasure which they give, but for the immeasurable aid they give in supplementing the regular reading program.

A source of relief to both parents and teachers has been the blocking off of School Street between the hours of 7:45 A. M. and 4:00 P. M., while school is in session. This has not only reduced the traffic danger near the school, but has added a small amount of play area to our overcrowded playground. The addition of a traffic guard at the Keil Lock Company crossing has also added a great deal of relief to everyone's mind. Thanks go to Supt. Stickney and the P.T.A. for the amount of time and effort that was necessary to bring about these much needed changes.

Our sincere thanks go to the Mother's Club and the P.T.A. for the time and money spent in making our teachers' room a very pleasant place in which to work and relax. Two new easy chairs, new drapes, and the refinishing of the old furniture have contributed greatly in making the days more pleasureable for each teacher.

A study is being made by the Holden School faculty to evaluate the present testing program. At present, intelligence tests are given in grades one, three and six; achievement tests are given once a year to all grades in the Spring of the year; reading tests are given in grades one and two at the conclusion of each reading text and reading readiness tests are given to incoming first graders. Our goal is to evaluate the validity and effectiveness of this program and to see what, if necessary, should be done to make this program more successful.

I would like to express my sincere appreciation for the fine cooperation exhibited by the School Board, administration, teachers, staff and service organizations of the town during the past year.

Respectfully submitted,

CHANDLER B. MOSHER
Principal

FARWELL SCHOOL · PRINCIPAL'S REPORT

Farwell School started in September with an enrollment of fifty-one pupils. We now have fifty-four pupils.

This year the lower grades are learning to use a new globe, and a new canvas blackboard outline map of the United States. This map can be written on with chalk and then erased.

The upper grades have a new set of reading books.

Both rooms have new fifty star flags for inside use and also a new outdoor flag.

A new duplicator to replace the old one is very helpful.

We wish to thank the Mother's Club for their generous gift of money for the purchase of new film strips.

Both Mrs. Smith and I wish to express our appreciation to everyone who has helped Farwell School this past year.

Respectfully submitted,

OLIVE BASHAW

Principal

SCHOOL NURSE'S REPORT

In submitting my eighth annual report as School Nurse for Supervisory Union No. 5, I would like to cite some of the changes beneficial to the School Health Program which have been made during this eight year period.

Eight years ago Supervisory Union No. 5 was made up of eight school districts in which there were a total of 22 schools. In five of these districts heating and sanitary facilities represented serious health problems. Heating these particular school buildings was next to impossible during the severe winter weather. The only persons in the school who could keep warm were those seated near the stove. In most instances the stove had to be fed frequently with chunk wood. I recall one severe winter when it was necessary to close the school buildings in one district for three weeks because they could not be heated. Frequently children, of necessity, sat in school with heavy jackets and boots in order to keep warm. Sanitary facilities were at a minimum in these buildings. Water for drinking and hand washing was carried into these schools from a nearby water supply which

had been tested and approved by the State Board of Health. Lighting in these buildings was also poor.

Geographically these areas were widely separated and the large number of buildings necessitated miles of time consuming travel. This, in turn, curtailed the Nurse's services to the children in school as well as home visits and conferences with parents.

Today Supervisory Union No. 5 is comprised of six school districts, one of which is a cooperative serving two communities. There is a total of nine buildings in the Union. Each of these buildings is equipped with modern heating units, excellent sanitary facilities and adequate lighting. Hot water is provided in all buildings. The total environment in the present school buildings is one conducive to good health and good health habits.

The smaller number of school buildings affords more time for the School Nurse to spend in the school, as well as more time for home calls and parent conferences, which are so important.

New equipment to improve testing programs has been purchased. Namely: an Audiometer for hearing tests, an Orthorater for vision tests and a Wood's light for detecting scalp ringworm. This equipment makes for greater accuracy in the testing programs.

Improvements such as those above certainly create a healthful environment which in turn makes for better education and more wholesome living.

In conclusion I would like to extend my appreciation to all of you who have been so interested in the School Health Program and who have helped in so many ways.

Respectfully submitted,

FLORENCE MacIVER
School Nurse

REPORT OF THE STUDENT AID FUND

The total number of loans granted since the start of the Student Aid Fund in January 1957, has been eight.

This year we are pleased to have received gifts from the following organizations and people; Charlestown Rotary Club, Margaret Wallace Arnold, and the proceeds from a Charlestown High School Basket-ball game.

The balance on hand as of January 1, 1961 is \$572.58.

It is hoped that organizations and individuals will continue their interest in this important project. Only through the interest of the community will this fund continue to grow and give assistance to deserving young people.

MINUTES OF THE CHARLESTOWN
SCHOOL DISTRICT MEETING

March 12, 1960

Meeting called to order at 2:00 o'clock.

Warrant read by Clerk Beatrice Olden.

Art. 1. To choose a Moderator.

I. Mandinack : I nominate Rev. Bruce Wyman.

L. Child : I nominate Martha Frizzell.

W. Jones : I move nominations cease.

Motion carried.

Following Tellers named by Clerk :

Mrs. Max Lange

John Osgood

Donald Galbraith

Number of votes cast — 295

Void — 4

Frizzell — 158

Wyman — 133

Martha Frizzell elected. Sworn in by Fred Perry.

Art. 2. To choose a Clerk.

Arline Warren has filed.

J. Ahern : I nominate Beatrice Olden — Withdrew.

E. Morrill : I move the nominations cease and the Moderator cast one ballot for Arline Warren. Declared elected. Sworn in by Fred Perry.

Art. 3. To choose two members of the School Board for the ensuing three years.

Vera Willard, Miriam Gates and Cecil Fisk have filed.

First ballot — 337 votes cast. Needed for election — 169.

Willard — 151

Fisk — 118

Gates — 68

Second ballot — 334 votes cast. Needed for election — 167.

Willard — 201

Fisk — 32

Gates — 101

Vera Willard declared elected. Sworn in at the bank by Fred Perry on March 14, 1960.

Ballot for second member.

339 votes cast. Needed for election — 170.

Fisk — 192

Gates — 147

Cecil Fisk declared elected.

Art. 4. To choose a Treasurer for the ensuing year.

Beatrice Olden has filed.

J. Ahern: I move nominations cease and the Moderator cast one ballot for Beatrice Olden.

Motion carried.

Beatrice Olden declared elected.

Art. 5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.

H. Bascom: I move that the School District approve the amount of \$765.00 to be raised in the budget for the salaries of the district officers.

Second D. Olden.

Motion carried.

Art. 6. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

D. Olden: I move that the reports as printed in the Annual Report be accepted.

Second F. Buckland.

Motion carried.

Art. 7. To choose Auditors for the ensuing year.

J. Ahern: I nominate the same two as we had last year. Frank Little and Elizabeth Bascom. Both withdrew.

F. Frohock: I move that the town auditors serve as school auditors.

Mr. Farrell withdrew.

E. Morrill: I nominate Robert Spaulding — Withdrew.

D. Olden: I nominate the remaining two town auditors — Louis Comstock and Margaret Spaulding.

Dr. Willard: I nominate Donald Galbraith as a third member.

Mr. Farrell: I move nominations be closed.

J. Babbitt: I move the Moderator cast one ballot for the three auditors: Louis Comstock, Margaret Spaulding and Donald Galbraith. Motion carried. Declared elected.

Art. 8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriations of such sums of money as are estimated to be received from state equalization and building funds, together with other income; the School Board to certify to the Selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

M. Gates: I move that the School District raise and appropriate the sum of \$210,454.61 for the support of schools for salaries of the district officers and agents, and for the payment of statutory obligations of the district, and to authorize the application against such appropriation of such sums of money as are estimated to be received from state equalization and building funds, together with other income; the School Board to certify to the Selectmen the balance between estimated revenue and the appropriations, which balance is to be raised by taxes by the town.

Discussion of budget by D. Olden.

T. Frizzell: I move that Art. 8 be amended by deducting \$4,000 and eliminating the extra teacher. Seconded by Frank Little.

D. Galbraith: I move that Art. 8 be amended by deducting \$5,000 instead of \$4,000.

Seconded by Arthur Moore.

Vote taken on motion made by D. Galbraith. Amendment lost.

Vote taken on motion made by T. Frizzell. Favorable.

Vote on original motion, amended by deducting \$4,000, carried. New figure — \$206,454.61.

Art. 9. To see if the district will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuitions, gifts and any other receipts from miscellaneous sources, in addition to the original appropriation for 1960-61, for the lunch program, general expenses, equipment and improvements.

E. French: I move that the district authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources, in addition to the original appropriation for 1960-61, for the lunch program, general expenses, equipment and improvements.

Seconded by M. Gates.

Motion carried.

Art. 10. To see if the district will authorize the School Board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

F. Buckland: I move that the district authorize the School Board to make application for and to receive, in the name of the district such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

Seconded by H. Bascom.

Motion carried.

Art. 11. To see if the district will vote to construct and equip a new Elementary School; and to see what sum of money the district will raise and appropriate for constructing and equipping a new school; and whether the district will vote to authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated, in accordance with the Municipal Finance Act, Chapter 33, and any amendments relating thereto.

V. Willard: I move that the district raise and appropriate for constructing and equipping a new Elementary School the sum of \$260,000.00, and to

authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated, in accordance with the Municipal Finance Act, Chapter 33, and any amendments relating thereto.

Seconded by Dr. Brown.

There was considerable discussion on this Article. Several townspeople spoke, then the School Board was asked to give their views. Mr. Stickney also expressed his views.

There then followed more discussion.

Finally, Mr. F. Perry moved that the Article be voted on.

Seconded by K. Laramie.

Motion carried.

The Moderator appointed three more Tellers:

Barbara Piletz, Robert Burns and William Miller.

L. Child and E. Farrell to use check list.

Number of votes cast — 312. Necessary to carry motion — 208.

Yes — 155 No — 157 Motion lost.

Art. 12. To see if the district will vote to choose a Building Committee.

J. Ahern: I move the article be dismissed.

Seconded by E. Morrill.

Motion carried.

Art. 13. To see if the district will raise and appropriate the sum of thirty-five hundred dollars (\$3500) for the purpose of installing flourescent lights, and modern toilet fixtures in the Holden School.

F. Perry: I move the article be adopted.

Seconded by F. Buckland.

Motion carried.

Art. 14. To transact any other business that may legally come before this meeting.

L. Child: I move the meeting be adjourned.

Seconded by E. Farrell.

Motion carried.

Meeting adjourned at 6:20 p. m.

A true record,

ARLINE WARREN, Clerk

1961

SCHOOL WARRANT

State of New Hampshire

Note: Polls open 10:00 A. M. to 6:00 P. M.

To the inhabitants of the School District in the Town of Charlestown qualified to vote in district affairs:

You are hereby notified to meet at the Charlestown High School Auditorium in said district on the eighteenth day of March, 1961, at two o'clock in the afternoon, to act on the articles here listed:

1. To choose a Moderator for the meeting.
2. To choose a Clerk for the meeting.
3. To determine and approve the salaries of the School Board and fix the compensation of any other officers or agents of the district.
4. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.
5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of the district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriations of such sums of money as are estimated to be received from state equalization and building funds, together with other income; the School Board to certify to the Selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
6. To see if the district will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources, in addition to the original appropriation for 1961-62, for the lunch program, general expenses, equipment and improvements.

7. To see if the district will authorize the School Board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

8. To see what sum of money the district will raise and appropriate for constructing and equipping a new elementary school; and whether the district will vote to authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated, in accordance with the Municipal Finance Act, Chapter 33, and any amendments relating thereto.

9. To see if the district will vote to raise and appropriate the sum of six thousand dollars (\$6,000.00) for the purpose of installing a language laboratory at the Charlestown High School.

10. To see if the Charlestown School District will authorize the supervisors of the town checklist to make, post and correct the checklists for the School District, acting as supervisors of the checklists; and to see if the school district will vote to adopt as the checklist for school meetings the checklist of the town, as provided in Section 197:12-a of the Revised Statutes Annotated.

11. To see if the school district will vote to adopt a plan for extending to employees of the school district the benefits of Title II of the Federal Social Security Act (Old Age and Survivors Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 301 and 332 of the Laws of 1955, and to raise and appropriate the sum of three hundred and eight dollars (\$308.00) to defray the school district's share of the cost thereof.

12. To see if the school district wishes to exclude from the plan services in any class or classes of positions filled by popular election.

13. To see if the school district wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

14. If a plan for Social Security coverage is adopted, to see if the school district will authorize the School Board to execute on behalf of the school district the necessary agreements with the State of New Hampshire to carry into effect the plan to see if the school district will designate the Chairman of the School Board as the officer to be responsible for the administration of the plan.

15. To transact any other business that may legally come before this meeting.

Given under our hands at said Charlestown this third day of March, 1961.

HORACE BASCOM, Chairman
DANA OLDEN
